## MEET THE MID-DUTY PORTABLE BY FUMEXTRACTORS

### MULTI-STAGE FILTRATION SYSTEM:

Ensures long-lasting, high-efficiency performance by removing sparks, large debris, fine particulate, and HEPA-level toxins (optional) for the most demanding applications.

### FULLY WELDED STEEL HOUSING:

Designed for years of heavy use. Simply plug it into a standard 20-amp circuit and you're ready to go—no special wiring, no installation headaches.

### EFFORTLESS MAINTENANCE:

A wide access door, tool-less filter retention system, and washable components that keep your unit running at peak efficiency.

### INDUSTRY'S BEST ARTICULATING EXTRACTION ARMS:

Operators get smooth, precise positioning and consistent capture at the source—exactly where it matters most.
